Welcome

Benefits for January 1, 2026 – December 31, 2026

OUR EMPLOYEES ARE OUR MOST VALUABLE ASSET.

That's why Mainely Provisions strives to provide you and your family with a comprehensive benefits package. We want you to pick the best benefits for you and your family. We've put together this Benefit Guide for open enrollment and for new employees hired during the year.

Open enrollment is an important time - it is a short period each year when you can make changes to your benefits.

The IRS allows employees to select certain benefits through pre-tax salary reductions, which lowers taxes and saves money. Because of these tax savings, after your initial benefits selection at time you're hired, the IRS allows you to make changes only during an open enrollment period, unless you experience a qualified status change. Since this is your one opportunity to enroll in or make changes to your benefits this year, please carefully consider your anticipated needs for the upcoming plan year. Elections you make during open enrollment will be **effective on January 1, 2026.**

This Guide outlines the different benefits Mainely Provisions offers, so you can identify which offerings are best for you and your family. The Guide also provides definitions for important terms, contact information for each of the carriers, as well as some important annual notices you should be aware of.

This Benefit Guide includes summary descriptions of Mainely Provisions benefit plans. If there is a discrepancy between these summaries and the written legal plan documents, the plan documents shall prevail. This Guide and plan summaries do not constitute a contract of employment and benefits described in this Guide may be changed by the employer.

Eligibility and Enrollment

Benefits for January 1, 2026 – December 31, 2026

Who Is Eligible?

If you're an eligible employee at Mainely Provisions, you can enroll in the benefits outlined in this Guide. As an eligible employee, the following family members are also eligible for medical, dental and vision coverage:

- Spouse or Domestic partner;
- Dependent child under the age of 26, regardless of that child's marital or student status; and
- Disabled dependent child regardless of age.

The minimum required hours you must work in order to be eligible are 30 hours per week and the waiting period before you can enroll is the first day of the month following 60 days. **Please see each benefit section in this Guide for eligibility details.**

How to Enroll During Open Enrollment

Are you ready to enroll? The first step is to review your current benefits. Did you move recently or get married? Verify all of your personal information and make any necessary changes. Once all your information is up to date, it's time to make your benefit elections. The decisions you make during open enrollment can have a significant impact on your life and finances, so it is important to weigh your options carefully.

When to Enroll

The benefits you choose during Open Enrollment will become **effective on January 1, 2026**. For newly hired or newly eligible employees who are enrolling, coverage will begin on the first day of the month day following 60 days.

How to Make Changes – Qualifying Events

Unless you experience a life-changing Qualifying Event, you cannot make changes to your benefits until the next Open Enrollment Period. Qualifying Events may include:

- Marriage, divorce, or legal separation
- Birth or adoption of a child
- Change in residence, in certain instances
- Death of a spouse, child, or other qualified dependent
- Change in child's dependent status
- Change in employment status or a change in coverage under another employer-sponsored plan
- A COBRA event
- Family Medical Leave Act (FMLA) leave
- Entitlement to Medicare or Medicaid

If you have a qualifying life event, in most cases changes must be made within 30 days of the event, or you will need to wait until the next Open Enrollment.

Medical

Key Terms to Remember

Annual Deductible

The amount you pay each year before the plan starts paying a portion of medical expenses. All family members' expenses that count toward a health plan deductible accumulate together in the aggregate; however, each person also has a limit on their own individual accumulated expenses (the amount varies by plan).

Annual Out-of-Pocket Maximum

This is the total amount you can pay out-of-pocket each calendar year before the plan pays 100% of covered expenses for the rest of the calendar year. Most expenses that meet provider network requirements count toward the annual out-of-pocket maximum, including expenses paid to the annual deductible*, copays, and coinsurance.

*Except for Grandfathered medical plans

Plan Types

Preferred Provider Organization (PPO) - A network of doctors, hospitals, and other health care providers. You generally receive higher benefits when you go to a network health care provider and lower benefits when you see an out-of-network provider. In a medical emergency, network requirements do not apply. All plans offered are PPO plans.

High Deductible Health Plan (HDHP) - A plan that has higher annual deductibles in exchange for lower premiums. The Plan 2 Clear Choice PPO 4000 and Plan 3 Clear Choice PPO 6300 are HDHP and you can set up a Health Savings Account (HSA) to accompany this plan.

Copays and Coinsurance

These expenses are your share of cost paid for covered health care services. Copays are a fixed dollar amount and are usually due at the time you receive care. Coinsurance is your share (a percentage) of the allowed amount charged for a service and is generally billed to you after the health insurance company reconciles the bill with the provider.

What are Preventive Services?

Preventive services are routine health care that includes screenings, check-ups, and patient counseling to prevent illnesses, disease, or other health problems – [healthcare.gov](https://www.healthcare.gov)

What Guidelines Apply to Preventive Services under the Affordable Care Act (ACA)?

Laws require most health plans to cover a set of preventive services for in-network care at no cost to you – no deductible, copays, or coinsurance apply. The required list of preventive services changes from time-to-time. Health plans and insurance companies can also add to their list of covered preventive services. Please check with your health plan to determine coverage.

When I Get Health Care, Does My Doctor Use the Same List of Preventive Services?

Doctors will ask you to have tests and procedures as preventive services based on your own health care needs. These services may not always align with the ACA list of preventive services. You can ask your doctor whether the services are covered under the ACA list of preventive services or if there may be costs that apply to the services.

Click on these links for up-to-date lists of preventive services under the ACA rules:

- **Adult Preventive Care** - <https://www.healthcare.gov/preventive-care-adults/>

- **Children's Preventive Care** - <https://www.healthcare.gov/preventive-care-children/>

“An ounce of prevention is worth a pound of cure”

Which Preventive Care Services Are Covered?

The US Preventive Services Task Force maintains a regular list of recommended services that all Affordable Care Act compliant plans should cover at 100% for in-network providers. Below is a list of common services that are included in the plans offered as of 2023:

- | | |
|--|---|
| • Routine Physical Exam | • Routine Prostate Test |
| • Well Baby and Child Care | • Routine Lab Procedures |
| • Well Woman Visits | • Routine Mammograms |
| • Immunizations | • Routine Pap Smear |

PreventiveRx Plus Drug List

PreventiveRx Plus Plan (ME Select)

PreventiveRx covers drugs that may keep you healthy because they may prevent illness and other health conditions. You can get the products on this list at low or no cost to you depending on your benefit.

This list includes only prescription products. Brand-name drugs are listed with a first capital letter. Non-brand drugs (generics) are in lowercase letters.

Most brand-name drugs that have a generic equivalent available are not covered under this PreventiveRx benefit.

*Some drugs and supplies may be excluded from your benefits. Please refer to your Certificate or Evidence for Coverage for coverage limitations and exclusions.

Please note: The drug list is subject to change and all previous versions of the drug list are no longer in effect.

This list is not all-inclusive; but many examples of preventive medications in each category are listed.

You can receive primary care and urgent care clinic visits at no cost

when selecting a ConvenientMD value-based provider as your PCP.

You now have access to quality, concierge-style, coordinated care for a \$0 cost share. All you need to do is choose a ConvenientMD value-based provider as your primary care provider (PCP) and receive your primary care from that chosen PCP. Primary care services are available in person through ConvenientMD facilities in Portland, Maine, and Portsmouth, New Hampshire, as well as virtually.

Additional benefits of using a value-based PCP include:

- Same- and next-day appointments.
- Longer primary care visits that start on time.
- Virtual video visits, available seven days a week.
- 24/7 connection to care with a PCP service line.

You also can receive health services such as X-rays, urgent care clinic visits, and routine lab tests from ConvenientMD's physician offices and urgent care clinics. Health services at other locations are still available to you at the usual cost share. If you have a health plan with a health savings account (HSA), you may select a ConvenientMD provider but the \$0 copay benefit is not available.

What is a value-based provider?

A value-based provider is a doctor or facility, by virtue of their contract with Anthem, that is rewarded for efficiency, coordination of care, health outcomes, and care experience, rather than on the amount of care provided under the traditional fee-for-service model.

Advantages of value-based care

By selecting a ConvenientMD value-based provider as your PCP, you are supported by a care-navigation team who understands your unique health needs. Your team will coordinate your care and guide you through referrals, diagnostics, and prescriptions. You will have access to care from a ConvenientMD value-based provider through office visits, urgent care clinics, or virtual services at a \$0 cost share.

This could mean lower healthcare costs for you overall because you may avoid unnecessary emergency room visits and improve your health outcomes through highly coordinated care.

To take advantage of this benefit, you will need to select a ConvenientMD value-based provider as your PCP.

To select a value-based provider PCP, follow these steps:

- Log in to [anthem.com](https://www.anthem.com). Select **Find Care**, and choose **Primary Care** under **Search by Care Provider**.
- On the filters section on the left, scroll down to **Recognitions**, and then check **Value-Based Provider**.
- Select **Assign as PCP**.

The following services are available at no cost when using a ConvenientMD value based provider as your PCP:

PCP visits

X-rays

Routine laboratory services

Urgent care clinic visits

Call the Customer Service number on the back of your member ID card for more information about ConvenientMD's value based providers or visit convenientmd.com/anthem.

Convenience or savings? No need to choose.

You get both with Rx Choice Tiered Network.

With your plan, you have lots of choices about where to get your prescription medicines. And with the Rx Choice Tiered Network, you can choose a pharmacy that saves you money.

Your pharmacy network offers two levels of coverage:

\$ Level 1

These are our preferred pharmacies, where your copay or share of the prescription cost is lower. There are more than 25,000* Level 1 pharmacies across the country, including well known chains like:

- CVS
- Target
- Hannaford Food & Drug
- Walmart

\$ \$ Level 2

You'll pay a little more for your prescriptions at a Level 2 pharmacy. There are 40,000* of these around the country, including:

- Walgreens
- Rite Aid

It's easy to find a pharmacy in the Rx Choice Tiered Network

- Visit [anthem.com](https://www.anthem.com), choose **Manage Your Prescriptions** and log on.
- On the *Pharmacy* page, choose **Find a Pharmacy**.
- Enter your ZIP code and how far you want to search to find pharmacies near you.

Choosing where you receive care can save you money

Using Site of Service providers can lower your out-of-pocket costs for labs, imaging, and outpatient surgeries

In these uncertain times, finding ways to save money is important. Anthem's cost-saving programs can help. With some Anthem plans, you may save hundreds of dollars—even thousands—when you go to lower-cost independent providers. You can find these Site of Service providers with [anthem.com](https://www.anthem.com)'s Find Care tool.

You can pay less for all of these services when you use Site of Service providers.*

Lab tests

Pay no more than a \$25 copay

Radiology

(such as X-rays and ultrasounds)

Pay no more than a \$75 copay

Advanced diagnostic imaging

(such as MRIs and CAT scans)

Pay no more than a \$250 copay

Outpatient surgery

Pay no more than a \$300 copay

In some plans, your out-of-pocket costs will be higher when you have these services done at a non-Site of Service location.

You can also receive cash back for using lower-cost care options

SmartShopper™ is a program that offers Anthem members in our group health plans up to \$500 in cash rewards for having common health services performed at lower-cost facilities. The first step toward your own savings is to visit [smartshopper.com](https://www.smartshopper.com) or call 844-328-1582 when you need care. Then choose a lower-cost option identified by SmartShopper and receive your cash reward. Be sure to contact the provider to confirm services.

Find a Site of Service location near you quickly

To find Site of Service locations, log in to [anthem.com](https://www.anthem.com) and search the service in the Find Care tool. Site of Service will be listed on the search page next to the lower-cost locations.

Lab

If a lab appears with the Site of Service designation in Find Care, then you can save on out-of-pocket costs depending on your health plan.

Ambulatory surgery center

You can search for outpatient surgery centers on the Find Care tool on [anthem.com](https://www.anthem.com).

Radiology and advanced diagnostic imaging

For services such as X-rays, ultrasounds, MRIs, or CAT scans, you have a low copay when you choose a Site of Service location.

Having more control over your out-of-pocket spending can help you make choices that best meet your health care needs and budget.

At home or on the go, doctors and mental health professionals are here for you.

Use LiveHealth Online, anytime, for a
private video visit with a doctor or mental
health professional.

When you're not feeling well you can get the support you need easily using LiveHealth Online. Whether you have a cold, you're feeling anxious or need help managing your medication, doctors and mental health professionals are right there, ready to help you feel your best. Using LiveHealth Online you can have a video visit with a board-certified doctor, psychiatrist or licensed therapist from your smartphone, tablet or computer from home or anywhere.

On LiveHealth Online, you can:

- **See a board-certified doctor 24/7.** You don't need an appointment to see a doctor. They're always available to assess your condition and send a prescription to the pharmacy you choose, if needed.¹ It's a great option when you have pink eye, a cold, the flu, a fever, allergies, a sinus infection or another common health issue.
- **Visit a licensed therapist in four days or less.**² Have a video visit with a therapist to get help with anxiety, depression, grief, panic attacks and more. Schedule your appointment online or call **1-888-548-3432** from **8 a.m. to 8 p.m.**, seven days a week.
- **Consult a board-certified psychiatrist within two weeks.**³ If you're over 18 years old, you can get medication support to help you manage a mental health condition. To schedule your appointment call **1-888-548-3432** from **8 a.m. to 8 p.m.**, seven days a week.

You've got access to affordable and convenient care

Your Anthem plan includes benefits for video visits using LiveHealth Online, so you'll just pay your share of the costs — usually \$59 or less for medical doctor visits, and a 45-minute therapy or psychiatry session usually costs the same as an office mental health visit.

Health Savings Account (HSA)

Benefits for January 1, 2026 – December 31, 2026

Can I Enroll in an HSA and How Does it Work?

When you are enrolled in medical Plan 2 or 3, Mainely Provisions offers you an employer-sponsored Health Savings Account (HSA) through the bank of your choice. With an HSA, employees can save money and budget for qualified medical expenses. HSAs are tax-advantaged savings accounts that accompany High Deductible Health Plans (HDHPs).

The main purpose of an HSA account is to offset the cost of a qualifying HDHP and provide savings for your out-of-pocket eligible health care expenses – those you and your tax dependents may have now, in the future, and during your retirement. This is a “portable” account. You own your HSA! It’s included in your employee benefits package, but after you set up your account, it’s yours to keep, even if you change jobs or retire.

When you have an HSA, you also save money on taxes:

- **Tax-free deposits** – The money you contribute directly from your paycheck to your HSA isn’t taxed (up to the IRS annual limit).
- **Tax-free earnings** – Your interest and any investment earnings grow tax-free.
- **Tax-free withdrawals** – The money used toward eligible health care expenses isn’t taxed – now or in the future.

HSA funds roll over from year to year and accumulate in your account. There is no “use-it-or-lose-it” rule, and you decide how and when to use your HSA funds. And when you have a certain balance in your HSA, investment opportunities are available.

What Expenses are Covered under an HSA and How Much Can I Contribute?

Once your HSA is established, you can contribute pre-tax dollars into the account.

The Maximum amount that you can contribute to an HSA:

2026:

\$4,400 if you have individual coverage

\$8,750 if you have family coverage

Additionally, if you are age 55 or older, you may make an additional annual “catch-up” contribution of \$1,000. You may change your contribution amount at any time during the year as long as you don’t exceed the annual maximum. You can then use your HSA dollars tax-free to pay for eligible health care expenses - you decide how and when to use your HSA dollars.

Refer to your HSA documentation for more information.

Everything you need to know about Paid Leave Maine

The Paid Leave Maine program allows workers, like you, to take paid time off for various covered reasons pertaining to medical leave, family leave, safe leave and military leave. Your employer has a private plan through Unum called Paid Leave-ME, which provides generous benefits comparable to the Paid Leave Maine state program.

Reasons for you to request leave

You can apply for up to a combined **total of 12 weeks** for these reasons:

- **Family leave***
To care for a new child through birth, adoption or fostering or to care for family with a serious health condition
- **Medical leave**
To care for one's own serious medical needs, including organ donations
- **Safe leave**
To stay safe or to help a family member stay safe after abuse or violence
- **Military leave**
For emergencies related to a family member's impending military deployment, including bereavement leave if that family member dies in the line of duty and qualifying exigency

*Can only be taken during the 12 months following birth/placement.

Understanding qualified leave

Serious health condition

A serious health condition is an illness, injury, impairment or physical or mental condition that involves:

- Inpatient care in a hospital, hospice or residential medical care facility; or
- Continuing treatment by a health care provider

Important definitions for understanding qualified leave

Family member

A family member under Paid Leave Maine can be any of the following:

- Your spouse or domestic partner
- Your child (biological, adopted, stepchild or foster child)
- Your spouse or domestic partner's child
- Your parent (biological, adoptive, stepparent, foster parent or legal guardian)
- The parent of your spouse or domestic partner
- Your sibling or stepsibling
- Your grandparent
- Your grandchild
- Any individual with whom the covered individual has a significant personal bond, similar to a family relationship, regardless of biological or legal ties

How Paid Leave helps you and your family

Benefits

Benefits are based upon the average weekly wage of workers throughout Maine — \$1,199 per week for 07/01/2025–06/30/2026.

The weekly benefit amount for you is calculated as follows: the portion of your average weekly wage* that is equal to or less than 50% of the state average weekly wage will be replaced at a rate of 90%. The portion of your average weekly wage that is more than 50% of the state average weekly wage will be replaced at a rate of 66%.

The maximum weekly benefit amount derived from the above calculation shall not be more than \$1,199 (state average weekly wage effective 07/2024).

Protections

Your time off through Paid Leave Maine is job-protected if you've worked for your employer for at least 120 consecutive calendar days.

When you return from leave, your employer must restore you to the same job you had before taking leave or to a job that has the same pay status, employment benefits, length-of-service credit and seniority. There are some limited exceptions to this protection.

If you get health insurance through your employer, they must continue to pay for their portion of that health insurance. If you usually pay a portion of your health insurance costs through your employer, then you'll need to continue to do that during your leave.

Example

Suzie's average weekly wage* is \$1,000 per week.

The state average weekly wage (SAWW) is \$1,199.

Suzie will receive the following:

90% of \$599.50 (50% of SAWW) =
\$539.55

+

66% of \$400.50 (\$1,000 - \$599.50) =
\$264.33

\$539.55 + \$264.33 = \$803.88

*"Average weekly wage" means an amount calculated by dividing the total wages earned by an eligible employee during the base year and dividing by 52. The state average weekly wage is adjusted annually and becomes effective 07/01.

What you need to apply for Paid Leave with Unum

Documents to verify your leave

Medical leave

You'll need to include information from a health care professional that says:

- That you have a serious health condition
- When your condition began
- How long they think your condition will continue
- Any other relevant details about your condition

Family leave to care for a family member with a serious health condition

You'll need to include information from a health care professional that says:

- That your family member has a serious health condition
- When your family member's condition began
- How long they think your family member's condition will continue
- Any other relevant details about your family member's condition
- Information about how often and how long your family member needs you to care for them

Family leave to bond with a new child

To take family leave to bond with a newborn child, you may need to submit any one of these three documents:

- A copy of the child's birth certificate
- A statement from the child's health care provider stating the child's date of birth
- A statement from the mother's health care provider stating the child's date of birth

To take family leave to bond with a child who has been recently adopted or placed in your home for foster care, you'll need documentation from the child's health care provider or the foster or adoption agency confirming the date of the child's adoption or placement.

Safe leave

You'll need to have an application for safe leave ready before you apply. This application must include a signed statement that the applicant meets the requirements for safe leave as stated in the Act.

Contact Unum to take advantage of all your benefits.

Call **1-800-858-6843** or visit www.unum.com to understand your options for filing a claim.

Women's Health and Cancer Rights Act Enrollment Notice

If you have had or are going to have a mastectomy, you may be entitled to certain benefits under the Woman's Health and Cancer Rights Act of 1998 (WHCRA). For individuals receiving mastectomy-related benefits, coverage will be provided in a manner determined in consultation with the attending physician and the patient, for:

1. All stages of reconstruction of the breast on which mastectomy was performed;
2. Surgery and reconstruction of the other breast to produce a symmetrical appearance;
3. Prostheses; and
4. Treatment of physical complications of the mastectomy, including lymphedema.

These will be provided subject to the same deductibles and coinsurance applicable to other medical and surgical benefits provided under this benefits plan. If you would like more information on WHCRA benefits, please contact your health plan administrator at 617-883-7922.

HIPAA Notice of Privacy Practices

The Plan's HIPAA Notice of Privacy Practices is available upon request. To obtain a copy of the Plan's HIPAA Notice of Privacy Practices, please contact the HR Department. For more information on the Plan's privacy policies or your rights under HIPAA, contact the HR Department at 617-883-7922.

HIPAA Special Enrollment Rights

HIPAA requires we notify you about your right to later enroll yourself and eligible dependents for coverage in Mainely Provisions health plan under "special enrollment provisions" briefly described below.

- Loss of Other Coverage. If you decline enrollment for yourself or for an eligible dependent because you have other group health plan coverage or other health insurance, you may be able to enroll yourself and your dependents under Mainely Provisions health plan if you or your dependents lose eligibility for that other coverage, or if the other employer stops contributing toward your or your dependents' other coverage. You must request enrollment within 30 days after your or your dependents' other coverage ends, or after the other employer stops contributing toward the other coverage.
- New Dependent by Marriage, Birth, Adoption, or Placement for Adoption. If you gain a new dependent as a result of a marriage, birth, adoption, or placement for adoption, you may be able to enroll yourself and your new dependents under Mainely Provisions health plan. You must request enrollment within 30 days after the marriage, birth, adoption, or placement for adoption. In the event you acquire a new dependent by birth, adoption, or placement for adoption, you may also be able to enroll your spouse, if your spouse was not previously covered.
- Enrollment Due to Medicaid/CHIP Events. If you or your eligible dependents are not already enrolled in Mainely Provisions health plan, you may be able to enroll yourself and your eligible dependents if: (i) you or your dependents lose coverage under a state Medicaid or children's health insurance program (CHIP), or (ii) you or your dependents become eligible for premium assistance under state Medicaid or CHIP. You must request enrollment within 60 days from the date of the Medicaid/CHIP event. The CHIP Model Notice containing additional information about this right as well as contact information for state assistance is included below. You may also request a copy from the Plan Administrator.

Please contact the Plan Administrator at 617-833-7922 for details, including the effective dates of coverage applicable to each of these special enrollment provisions. Additional information regarding your rights to enroll in group health coverage is found in the applicable group health plan summary plan descriptions or insurance contract.

Important Notice From Mainely Provisions About Your Prescription Drug Coverage and Medicare

Please read this notice carefully and keep it where you can find it. This notice has information about your current prescription drug coverage with Mainely Provisions and about your options under Medicare's prescription drug coverage. This information can help you decide whether or not you want to join a Medicare drug plan. If you are considering joining, you should compare your current coverage, including which drugs are covered at what cost, with the coverage and costs of the plans offering Medicare prescription drug coverage in your area. Information about where you can get help to make decisions about your prescription drug coverage is at the end of this notice.

There are two important things you need to know about your current coverage and Medicare's prescription drug coverage:

1. Medicare prescription drug coverage became available in 2006 to everyone with Medicare. You can get this coverage if you join a Medicare Prescription Drug Plan or join a Medicare Advantage Plan (like an HMO or PPO) that offers prescription drug coverage. All Medicare drug plans provide at least a standard level of coverage set by Medicare. Some plans may also offer more coverage for a higher monthly premium.
2. Mainely Provisions has determined that the prescription drug coverage offered by the Plan is, on average for all plan participants, expected to pay out as much as standard Medicare prescription drug coverage pays and is therefore considered Creditable Coverage. Because your existing coverage is Creditable Coverage, you can keep this coverage and not pay a higher premium (a penalty) if you later decide to join a Medicare drug plan.

When Can You Join A Medicare Drug Plan?

You can join a Medicare drug plan when you first become eligible for Medicare and each year from October 15th to December 7th.

However, if you lose your current creditable prescription drug coverage, through no fault of your own, you will also be eligible for a two (2) month Special Enrollment Period (SEP) to join a Medicare drug plan.

What Happens To Your Current Coverage If You Decide to Join A Medicare Drug Plan?

If you decide to join a Medicare drug plan, your current coverage through Mainely Provisions may be affected. You can keep this coverage if you elect Part D and this plan will coordinate with Part D coverage. If you do decide to join a Medicare drug plan and drop Mainely Provisions medical plan with prescription drug coverage, be aware that you and your dependents may not be able to get this coverage back at a later date.

Legal Notices (continued)

Legal Notices

When Will You Pay A Higher Premium (Penalty) To Join A Medicare Drug Plan?

You should also know that if you drop or lose your current coverage with Mainely Provisions and don't join a Medicare drug plan within 63 continuous days after your current coverage ends, you may pay a higher premium (a penalty) to join a Medicare drug plan later.

If you go 63 continuous days or longer without creditable prescription drug coverage, your monthly premium may go up by at least 1 percent of the Medicare base beneficiary premium per month for every month that you did not have that coverage. For example, if you go nineteen months without creditable coverage, your premium may consistently be at least 19 percent higher than the Medicare base beneficiary premium. You may have to pay this higher premium (a penalty) as long as you have Medicare prescription drug coverage. In addition, you may have to wait until the following October to join.

For More Information About This Notice Or Your Current Prescription Drug Coverage...

Contact the person listed below for further information. NOTE: You'll get this notice each year. You will also get it before the next period you can join a Medicare drug plan, and if this coverage changes. You also may request a copy of this notice at any time.

For More Information About Your Options Under Medicare Prescription Drug Coverage...

More detailed information about Medicare plans that offer prescription drug coverage is in the "Medicare & You" handbook. You'll get a copy of the handbook in the mail every year from Medicare. You may also be contacted directly by Medicare drug plans.

For more information about Medicare prescription drug coverage:

Premium Assistance Under Medicaid and the Children's Health Insurance Program (CHIP)

If you or your children are eligible for Medicaid or CHIP and you're eligible for health coverage from your employer, your state may have a premium assistance program that can help pay for coverage, using funds from their Medicaid or CHIP programs. If you or your children aren't eligible for Medicaid or CHIP, you won't be eligible for these premium assistance programs but you may be able to buy individual insurance coverage through the Health Insurance Marketplace. For more information, visit www.healthcare.gov.

If you or your dependents are already enrolled in Medicaid or CHIP and you live in a State listed below, contact your State Medicaid or CHIP office to find out if premium assistance is available.

If you or your dependents are NOT currently enrolled in Medicaid or CHIP, and you think you or any of your dependents might be eligible for either of these programs, contact your State Medicaid or CHIP office or dial 1-877-KIDS NOW or www.insurekidsnow.gov to find out how to apply. If you qualify, ask your state if it has a program that might help you pay the premiums for an employer-sponsored plan.

If you or your dependents are eligible for premium assistance under Medicaid or CHIP, as well as eligible under your employer plan, your employer must allow you to enroll in your employer plan if you aren't already enrolled. This is called a "special enrollment" opportunity, and you must request coverage within 60 days of being determined eligible for premium assistance. If you have questions about enrolling in your employer plan, contact the Department of Labor at www.askebsa.dol.gov or call 1-866-444-EBSA (3272).

If you live in one of the following states, you may be eligible for assistance paying your employer health plan premiums. The following list of states is current as of July 31, 2025. Contact your State for more information on eligibility

Your Rights and Protections Against Surprise Medical Bills

When you get emergency care or get treated by an out-of-network provider at an in-network hospital or ambulatory surgical center, you are protected from balance billing. In these cases, you shouldn't be charged more than your plan's copayments, coinsurance, and/or deductible.

What is "balance billing" (sometimes called "surprise billing")?

When you see a doctor or other healthcare provider, you may owe certain out-of-pocket costs, like a copayment, coinsurance, or a deductible. You may have additional costs or have to pay the entire bill if you see a provider or visit a healthcare facility that isn't in your health plan's network.

"Out-of-network" means providers and facilities that haven't signed a contract with your health plan to provide services. Out-of-network providers may be allowed to bill you for the difference between what your plan pays and the full amount charged for a service. This is called **"balance billing."** This amount is likely more than in-network costs for the same service and might not count toward your plan's deductible or annual out-of-pocket limit.

"Surprise billing" is an unexpected balance bill. This can happen when you can't control who is involved in your care—like when you have an emergency or when you schedule a visit at an in-network facility but are unexpectedly treated by an out-of-network provider. Surprise medical bills could cost thousands of dollars depending on the procedure or service.

You're protected from balance billing for:

Emergency services

If you have an emergency medical condition and get emergency services from an out-of-network provider or facility, the most they can bill you is your plan's in-network cost-sharing amount (such as copayments, coinsurance, and deductibles). You **can't** be balance billed for these emergency services. This includes services you may get after you're in stable condition, unless you give written consent and give up your protections not to be balance billed for these post-stabilization services.

Certain states have enacted balance billing protections for patients receiving emergency services. For example, Maine, Massachusetts, New Hampshire, and Vermont all have laws protecting patients from balance billings. Specific laws related to balance billing are different in each state. If you have questions, check with your plan administrator or state insurance regulator.

Certain services at an in-network hospital or ambulatory surgical center

When you get services from an in-network hospital or ambulatory surgical center, certain providers there may be out-of-network. In these cases, the most those providers can bill you is your plan's in-network cost-sharing amount. This applies to emergency medicine, anesthesia, pathology, radiology, laboratory, neonatology, assistant surgeon, hospitalist, or intensivist services. These providers **can't** balance bill you and may **not** ask you to give up your protections not to be balance billed.

If you get other types of services at these in-network facilities, out-of-network providers **can't** balance bill you, unless you give written consent and give up your protections.

You're never required to give up your protections from balance billing. You also aren't required to get out-of-network care. You can choose a provider or facility in your plan's network.

State law prohibitions against balance billing may also apply. Specific laws related to balance billing are different in each state. If you have questions, check with your plan administrator or state insurance regulator.

Your Rights and Protections Against Surprise Medical Bills (continued)

When balance billing isn't allowed, you also have the following protections:

- You're only responsible for paying your share of the cost (like the copayments, coinsurance, and deductible that you would pay if the provider or facility was in-network). Your health plan will pay any additional costs to out-of-network providers and facilities directly.
- Generally, your health plan must:
 - Cover emergency services without requiring you to get approval for services in advance (also known as "prior authorization").
 - Cover emergency services by out-of-network providers.
 - Base what you owe the provider or facility (cost-sharing) on what it would pay an in-network provider or facility and show that amount in your explanation of benefits.
 - Count any amount you pay for emergency services or out-of-network services toward your in-network deductible and out-of-pocket limit.

If you think you've been wrongly billed, contact your insurance carrier by calling the number on your insurance card. You may also contact your state insurance regulator or the No Surprises helpdesk at 1-800-985-3059.

Visit www.cms.gov/nosurprises/consumers for more information about your rights under federal law.

Newborns' and Mothers' Health Protection Act of 1996

Group health plans and health insurance issuers generally may not, under federal law, restrict benefits for any hospital length of stay in connection with childbirth for the mother or newborn child to less than 48 hours following a vaginal delivery, or less than 96 hours following a cesarean section. However, federal law generally does not prohibit the mother's or newborn's attending provider, after consulting with the mother, from discharging the mother or her newborn earlier than 48 hours (or 96 hours as applicable). In any case, plans and issuers may not, under federal law, require that a provider obtain authorization from the plan or the issuer for prescribing a length of stay not in excess of 48 hours (or 96 hours).

Summary of Benefits and Coverage ("SBC") and Uniform Glossary

The Affordable Care Act requires that employers must provide an SBC to all eligible employees and beneficiaries with any application for enrollment (including annual open enrollment) and upon request. A copy of the Plan's SBC is contained with your annual enrollment materials. If you have any questions, or did not receive one, please contact the Plan Administrator at 617-833-7922.

Health Insurance Marketplace Coverage Options and Your Health Coverage

PART A: General Information

Even if you are offered health coverage through your employment, you may have other coverage options through the Health Insurance Marketplace ("Marketplace"). To assist you as you evaluate options for you and your family, this notice provides some basic information about the Health Insurance Marketplace and health coverage offered through your employment.

What is the Health Insurance Marketplace?

The Marketplace is designed to help you find health insurance that meets your needs and fits your budget. The Marketplace offers "one-stop shopping" to find and compare private health insurance options in your geographic area.

Can I Save Money on my Health Insurance Premiums in the Marketplace?

You may qualify to save money and lower your monthly premium and other out-of-pocket costs, but only if your employer does not offer coverage, or offers coverage that is not considered affordable for you and doesn't meet certain minimum value standards (discussed below). The savings that you're eligible for depends on your household income. You may also be eligible for a tax credit that lowers your costs.

Does Employment-Based Health Coverage Affect Eligibility for Premium Savings through the Marketplace?

Yes. If you have an offer of health coverage from your employer that is considered affordable for you and meets certain minimum value standards, you will not be eligible for a tax credit, or advance payment of the tax credit, for your Marketplace coverage and may wish to enroll in your employment-based health plan. However, you may be eligible for a tax credit, and advance payments of the credit that lowers your monthly premium, or a reduction in certain cost-sharing, if your employer does not offer coverage to you at all or does not offer coverage that is considered affordable for you or meet minimum value standards. For Plan Years beginning in 2026, if your share of the premium cost of all plans offered to you through your employment is more than 9.02%¹ of your annual household income, or if the coverage through your employment does not meet the "minimum value" standard set by the Affordable Care Act, you may be eligible for a tax credit, and advance payment of the credit, if you do not enroll in the employment-based health coverage. For family members of the employee, coverage is considered affordable if the employee's cost of premiums for the lowest-cost plan that would cover all family members does not exceed 9.02% of the employee's household income.²

Note: If you purchase a health plan through the Marketplace instead of accepting health coverage offered through your employment, then you may lose access to whatever the employer contributes to the employment-based coverage. Also, this employer contribution—as well as your employee contribution to employment-based coverage—is generally excluded from income for federal and state income tax purposes. Your payments for coverage through the Marketplace are made on an after-tax basis. In addition, note that if the health coverage offered through your employment does not meet the affordability or minimum value standards, but you accept that coverage anyway, you will not be eligible for a tax credit. You should consider all of these factors in determining whether to purchase a health plan through the Marketplace.

When Can I Enroll in Health Insurance Coverage through the Marketplace?

You can enroll in a Marketplace health insurance plan during the annual Marketplace Open Enrollment Period. Open Enrollment varies by state but generally starts November 1 and continues through at least December 15.

¹Indexed annually.

²An employer-sponsored or other employment-based health plan meets the "minimum value standard" if the plan's share of the total allowed benefit costs covered by the plan is no less than 60 percent of such costs. For purposes of eligibility for the premium tax credit, to meet the "minimum value standard," the health plan must also provide substantial coverage of both inpatient hospital services and physician services.

Outside the annual Open Enrollment Period, you can sign up for health insurance if you qualify for a Special Enrollment Period. In general, you qualify for a Special Enrollment Period if you've had certain qualifying life events, such as getting married, having a baby, adopting a child, or losing eligibility for other health coverage. Depending on your Special Enrollment Period type, you may have 60 days before or 60 days following the qualifying life event to enroll in a Marketplace plan. To learn more, visit [HealthCare.gov](https://www.healthcare.gov) or call the Marketplace Call Center at 1-800-318-2596. TTY users can call 1-855-889-4325.

What about Alternatives to Marketplace Health Insurance Coverage?

If you or your family are eligible for coverage in an employment-based health plan (such as an employer-sponsored health plan), you or your family may also be eligible for a Special Enrollment Period to enroll in that health plan in certain circumstances, including if you or your dependents were enrolled in Medicaid or CHIP coverage and lost that coverage. Generally, you have 60 days after the loss of Medicaid or CHIP coverage to enroll in an employment-based health plan. Confirm the deadline with your employer or your employment-based health plan.

Alternatively, you can enroll in Medicaid or CHIP coverage at any time by filling out an application through the Marketplace or applying directly through your state Medicaid agency. Visit <https://www.healthcare.gov/medicaid-chip/getting-medicaid-chip/> for more details.

How Can I Get More Information?

For more information about your coverage offered through your employment, please check your health plan's summary plan description or contact Stephanie Lanman at 617-833-7922

The Marketplace can help you evaluate your coverage options, including your eligibility for coverage through the Marketplace and its cost. Please visit [HealthCare.gov](https://www.healthcare.gov) for more information, including an online application for health insurance coverage and contact information for a Health Insurance Marketplace in your area.

PART B: Information About Health Coverage Offered by Your Employer

This section contains information about any health coverage offered by your employer. If you decide to complete an application for coverage in the Marketplace, you will be asked to provide this information. This information is numbered to correspond to the Marketplace application.

3. Employer name Mainely Provisions	4. Employer Identification Number (EIN) 01-0345072	
5. Employer address 363 Main Street	6. Employer phone number 617-833-7922	
7. City Kingfield	8. State ME	9. ZIP code 04947
10. Who can we contact about employee health coverage at this job? Stephanie Lanman		
11. Phone number (if different from above)	12. Email address slanman@upmgt.org	

Here is some basic information about health coverage offered by this employer:

- As your employer, we offer a health plan to:

☒ All employees. Eligible employees are:

Employees working a minimum of 30 hours per week

☐ Some employees. Eligible employees are:

- With respect to dependents:

☒ We do offer coverage. Eligible dependents are:

Spouse, Domestic Partners and Dependent Children

☐ We do not offer coverage.

☒ If checked, this coverage meets the minimum value standard, and the cost of this coverage to you is intended to be affordable, based on employee wages.

****Even if your employer intends your coverage to be affordable, you may still be eligible for a premium discount through the Marketplace. The Marketplace will use your household income, along with other factors, to determine whether you may be eligible for a premium discount. If, for example, your wages vary from week to week (perhaps you are an hourly employee or you work on a commission basis), if you are newly employed mid-year, or if you have other income losses, you may still qualify for a premium discount.**

If you decide to shop for coverage in the Marketplace, [HealthCare.gov](https://www.healthcare.gov) will guide you through the process.
